LETTER OF COMMITMENT

I, _____, understand that I have agreed to attend and participate in the El Paso Citizen Police Academy for a total of approximately 50 hours. I further appreciate and understand the time and effort that goes into holding an academy of this nature. By signing and returning this Letter of Commitment, I am expressing my intention to attend the entire El Paso Citizen Police Academy schedule of classes. I further agree that I will make a timely notification should an unforeseen circumstance arise that would prohibit my attendance. I also recognize that signing this letter does not bind me in attending the El Paso Citizen Police Academy, but serves only as an expression of my intentions.
